### Summary of reasons for decision:

The image is a photo of a partially nude child with his shorts lowered to his thighs. The image presents as a candid photograph that would not look out of place in a family album and nothing in the image suggests a sexual intention or reading. The image does not deal with matters under s3(1) of the Films, Videos, and Publications Classification Act 1993, nor does it raise any issues under ss 3A or 3B of that Act. It must, therefore, be classified unrestricted. This unrestricted classification places no limitation on the right to freedom of expression provided by the New Zealand Bill of Rights Act 1990.
